About Us

Reign of Style was founded with a mission to celebrate and elevate the creativity and talent within the hair and beauty industry. Over the years, we've grown into the leading organizer of hair show competitions in the Northwest.

Since 2009, Reign of Style has proudly orchestrated multiple standout hair competitions, including eleven editions of the Annual Reign of Style Hair Show & Competition and two of The Summer Reign Hair Competition. In addition to these exciting shows, we've hosted five community-choice MANE Award ceremonies and five Beauty and The Business Educational Series.

Our events have captivated a diverse audience of over 5,000+ attendees, created business opportunities for more than 200 vendors, and awarded thousands of dollars in prizes and gifts.

The Annual Reign of Style Hair Show & Competition is our signature event. It combines visual and creative arts with hair, beauty, music, and dance. This event brings together professional stylists, barbers, and cosmetology students to showcase their talents and compete in various categories for cash and recognition.

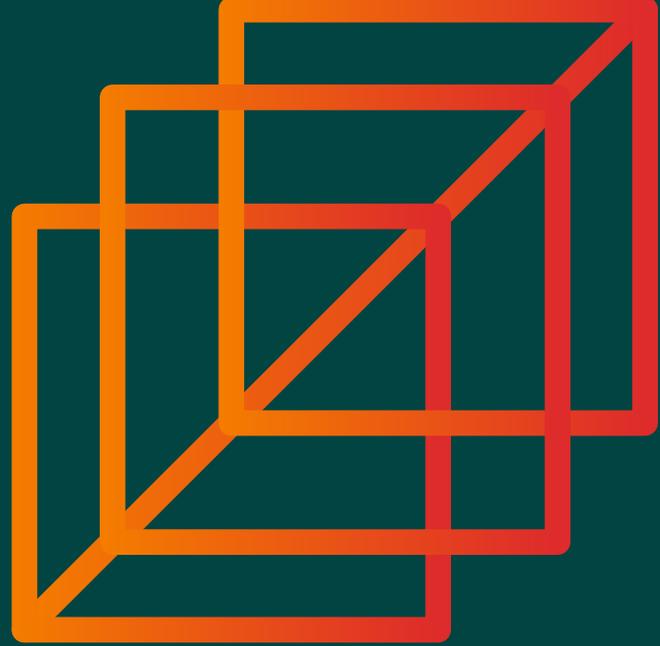

In addition to competitions, we offer educational workshops, networking opportunities, and community outreach programs designed to benefit both seasoned professionals and aspiring beauty experts. Through our events, we generate excitement, build connections, and contribute to the growth of the beauty industry in the Northwest, leaving a lasting impact on the community.

We are dedicated to creating an inclusive, supportive environment where creativity thrives and new talent can emerge. Event organizers, sponsors, volunteers, and participants know this event will have a lasting impact on everyone involved, and we are committed to making it our best year yet!

Each Reign of Style event pushes the boundaries of style and innovation, all while giving back to the community that has supported us.
